

## NUMINOS® M

### diffuser Frosted

Do you want to put together individual solutions from a variety of downlights, wattages, luminous intensities and colours, semi-diffuse angles and other features? And with a uniform lighting and design concept? The NUMINOS® lighting system, which can be freely configured and combined, offers over a thousand possibilities. Like this frosted diffuser, which creates a more diffuse and softer light. When will you choose SLV's modular variety?

### TECHNICAL DATA

<b>Item no.:</b>	1004792
<b>Height</b>	0.2 cm
<b>Diameter</b>	4.75 cm
